Wednesday, November 1

Tulsa, OK

After breakfast we leave the Ozark Folk Center State Park and route westward across Arkansas, stopping for a rest break in Harrison. By noon we will be arriving in Bentonville to visit the Crystal Bridges Museum of American Art. The Museum, opened in 2011, was founded by Alice Walton and is nestled at the base of a natural ravine. The natural spring, along with the striking glass and copper bridges that span the ponds, provided Crystal Bridges with its name. We will take time to stop by Walton’s 5 & 10, which is like stepping back in history with Sam Walton.
